HIGH SCHOOL COLLEGE CREDIT OPPORTUNITIES

JETT DICKERSON

"I am loving UW! Taking College credits in High School helped me be farther ahead in my field of study and lightened the load of my first two semesters, in a field that has a reputation for being very difficult. Dual enrollment is a huge opportunity I recommend you do not waste."

-Jett Dickerson, University of Wyoming, September 2021

MADISON LUPHER

"I am attending Casper College and majoring in Agriculture Communications. I graduated high school with 28 college credits from Western. The only general class I will take in the next two to six years of my education is math. I was able to bypass classes that kids in my same major are having to currently take. I am extremely happy with this decision that I made years ago. My first semester in college has been very easy. If I could go back I would take a math course while in high school. That would allow me to focus more on my classes that count towards my degree. By taking the classes that I did in high school through Western, I will graduate with three Associates degrees through Casper in two years."

-Madison Lupher, Casper College, September 2021

BRIDGER VALLEY HIGH SCHOOL PARENTS AND STUDENTS!

LHS students earn Blue and White Certificates with Western credit earnings

MVHS students earn Purple and White Certificates with Western credit earnings

- Do you know what Western Wyoming Community College Credit is currently available for Bridger Valley high school students to take at our local high schools?
- Do you know that high school students can get credit for both college and high school taking these courses?
- Do you know that college tuition, fees, and books are provided at no cost to the high school students and their families for those students who qualify?
- Do you know the approximate savings for Bridger Valley high school students taking Western College Credit at our Bridger Valley high schools?
- Do you know that 4 to 6 of the offered Western courses are core courses, which apply to almost every degree program in Wyoming, and most apply across the nation?

OUR STUDENTS ARE LUCKY TO BE IN WYOMING!

Our state believes in its young people and proves it by offering qualified high school students a chance to take college classes at NO COST!

Studies show there is increased likelihood of college success for high school students who take college credit while in high school.

DISTANCE LEARNING

Western knows that online learning is a great option for a growing number of students just like you. Our online courses are affordable and offer our students the opportunity to take a dedicated and self-disciplined approach to studying and completing your coursework. The reward is access to quality courses that is convenient to our students.

Internet Courses

Internet courses are **NOT self-paced**. They will:

- Start on the first day of normal classes,
- Have regular deadlines,
- Require interaction with the instructor and fellow students.

To **SUCCEED** in an Internet class, you will:

- Need to be online a minimum of 3 days a week,
- Be able to study at least 9 hours per week for a 3 credit course,
- Have strong time-management skills, computer skills, and self-motivation.

You MUST:

- Sufficient technology and Internet access is required to complete online classes at Western Wyoming Community College. While **tablets, smartphones** and other **mobile devices** may allow for some completion of coursework, they are not guaranteed to work in all areas. Please ensure you have a Windows or Mac based computer available to complete coursework in the event your selected mobile device does not meet the needs of the course.
- Use the e-mail address provided to you by the college.
- Be comfortable with using a computer and MS Word. To brush up on your computer skills, take one of the non-credit courses.

If you are new to online learning, please take the "Intro to Online Learning" HMDV 1025, offered in Spring, Summer, and Fall Semesters.

To begin your Internet class on the first day of the semester:

- Go to the college homepage www.westernwyoming.edu
- Choose MyWestern from the top menu.
- Login using the username and password provided to you by the college.
- Once logged in to MyWestern, click on the Canvas Icon located near the middle of the page.
- You should see your course listing within Canvas. If you do not see this and you are seeing a collage of photos, you have a pop-up blocker. Please allow pop-ups from this site and then you will see the Canvas window.
- Click on the name of each your online courses to enter the class.

REGISTRATION & PAYMENT INFORMATION FOR WESTERN CREDIT COURSES

DEGREE SEEKING: FULL-TIME OR PART-TIME

- Apply for admission and be accepted
- Take Placement Tests or provide documentation of minimum ACT or SAT score requirements
- Attend an Individual Advising Appointment to register at Valley Learning Center
- Returning students it is recommended that you meet with your advisor

NON DEGREE SEEKING

- Come in or go online to register
- Students enrolling in 6 or more credits may set up a payment plan
- Use online form or MyWestern

INDIVIDUAL ADVISING APPOINTMENTS

After you complete the application process, contact the Valley Learning Center at 307-782-6401 or kbehunin@westernwyoming.edu to make an Individual Advising appointment.

WAITLISTS

Students may be placed on a waitlist if a course is full. When a seat becomes available the student will be sent an email (using MyWestern or a personal email address) notifying them that a seat has become available. The student will have three days to add the course to their schedule through "Managing My Waitlist" in MyWestern or by calling Mustang Central. It is ultimately the responsibility of the student to know their position on any given waitlist.

Being on a waitlist does not complete the registration process. Students are not automatically enrolled when a seat opens. If you have decided against the waitlisted course, please have your name deleted from the waitlist by using "Managing My Waitlist" in MyWestern, by calling Valley Learning Center at 782-6401 or Mustang Central at 382-1677.

DROPPING COURSES AND REFUNDS

Use MyWestern to drop courses through October 28 (full semester courses). NOTE: Block courses are on a reduced schedule for drop/add dates and refunds. Contact Mustang Central or Valley Learning Center for exact dates.

STUDENT SERVICES AND FINANCIAL AID

OUTREACH SERVICE

Western Wyoming Community College provides a number of services to you here at the Valley Learning Center Outreach.

You can:

- register,
- take classes,
- meet with an academic advisor,
- take placement tests,
- computer lab access and use
- apply for financial aid,
- and a number of other things.

You also have access to all services on-campus, so please feel free to contact us whenever you need something. Remember students are responsible for adhering to all College regulations. The best place to find information on various rules is the College catalog. It's our contract with you. Please go online at westernwyoming.edu to view our catalog.

GETTING FINANCIAL ASSISTANCE

Students enrolled in a minimum of six credits at Western Wyoming Community College are encouraged to apply for financial aid. Some students enrolled in less than 6 hours may also be eligible for financial aid. There are generally two types of aid available at WWCC: aid based on assessed financial need and aid awarded based on academic excellence or area of major.

Students interested in Federal Aid must complete the Free Application for Federal Student Aid (FAFSA). Applications can be accessed from the WWCC Financial Aid webpage. Before financial aid awards are disbursed, students must have applied and been accepted for admission, and be degree or certificate seeking at WWCC.

April 1 is the priority deadline for financial aid at WWCC. Applications received by this date will receive priority consideration for all available monies. Applications received after that date will be processed as the financial aid file is completed.

FAFSA WEBSITE WWW.FAFSA.ED.GOV

MYWESTERN CAPABILITIES:

Students can access a variety of financial aid information via MyWestern.

- Students can view their award letter for the current academic year once their financial aid file is complete and the financial aid office has reviewed their eligibility and packaged their awards.
- Students can also accept or decline the aid that has been offered to them utilizing this medium.
- Students can print out their award letter.
- MyWestern will direct students to the Master Promissory Note (Legal promise to repay Student Loans borrowed).
- Students can view their financial aid status by year or specific term.

This information is accessed by using your MyWestern login and password.

Financial Aid Awards usually consist of a combination of the following:

FEDERAL AID PROGRAMS:

Federal Pell Grant – Federal Grant money available to qualifying students attending approved post-secondary institutions.

Federal Supplemental Educational Opportunity Grant (FSEOG) - Federal grants available to students with the lowest family contribution.

Federal Work Study – Student employment available to a limited number of students with need who choose to earn part of their educational expenses.

FEDERAL DIRECT LOANS:

Subsidized Loans – Need-based federally subsidized loans available to college students which are funded by the Federal Direct Loan Program. Current interest rate information is available at westernwyoming.edu, and repayment obligations begin six months after the student completes their education or stops attending on a part time basis. Entrance and exit counseling is required in order to receive these funds.

Unsubsidized Loans – Non-need based Federal loans available to college students which are funded by the Federal Direct Loan Program. Interest rate information is available at westernwyoming.edu. Entrance and exit counseling is required in order to receive these funds.

Federal PLUS Loans – Federal loans available to parents whose children attend post-secondary institutions. Interest rate information is available at westernwyoming.edu. Repayment begins immediately after loan disbursement.

INSTITUTIONAL AID PROGRAMS:

Western offers a variety of scholarships to High School Seniors based on academic excellence. They include the Superior Student Scholarship, Honor Scholarship, Performance Scholarship; Opportunity Scholarship and Provisional Opportunity Scholarship (award includes state of Wyoming funds for Hathaway eligible students), competition and special ability grants. The Sweetwater County High School Graduate Scholarship is available for students who graduate from a Sweetwater County High School. Divisional Scholarships are available to sophomore students. Scholarships are also available to qualifying transfer, part-time and non-traditional students.

WWC FOUNDATION AID:

Grants provided through donor participation, ranging in value from \$250-\$3,500 per academic year.

VETERAN'S BENEFITS:

Information and applications can be obtained from the Veteran's Representative in Mustang Central, and online on the College's webpage.

SCHEDULE INFORMATION

EXPLANATION OF COURSE NUMBERS

Each course is assigned seven digits. The first three or four digits indicate the area of study (for example, Art): the center four digits indicates course level (0900 means nontransferable, 1000 means freshman level, and 2000 means sophomore level).

Courses numbered less than 1000 are nontransferable, non-graduation courses.

NOTICE TO STUDENTS

Instruction will occur at the first class meeting. Come prepared for an exciting learning experience.

NOTE ON CLASS SIZE

For financial and quality of instruction reasons, classes with fewer than 10 students may be cancelled.

UNATTENDED CHILDREN

For safety and liability reasons, Western cannot assume responsibility for children left unattended in the buildings. Parents are encouraged to find an alternative place for their children while attending classes.

AVOID DISAPPOINTMENT!

Each term we sadly have to cancel courses because of low enrollment, only to find out the day of the first class that several of you intended to enroll. It is best to register before the course start-date to avoid disappointment.

NOTIFICATION OF STUDENT RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

(See Western Catalog for more complete information regarding FERPA)

FERPA (also known as the Buckley Amendment) was originally passed in 1974. It has been amended several times since, but the essence remains unchanged. Primary rights for students under FERPA include:

1. Right to inspect and review educational records within 45 days of the day the request is received. Submit your request in writing to the Registration & Records.
2. Right to seek to amend educational records. If you think that something in your file is inaccurate, you may make a written request to have that record changed.
3. Right to have some control over the disclosure of information from educational records except to the extent that FERPA authorizes disclosure without consent.
4. Right to file a complaint with the U.S. Department of Education concerning alleged failures by Western to comply with the requirements of FERPA.

DIRECTORY INFORMATION

Western has identified the following information as directory information, meaning we will release it if the student has granted permission on the application for admission or registration information sheet.

- Name
- Address(es)
- Full-time or Part-time
- Major
- Phone Number(s)
- E-mail
- Dates of Attendance
- Degrees/Awards
- Photographs
- Weight and height of athletes
- Class lists used within on-line courses
- Participation in officially recognized activities and sports

All releases are based in the privacy code attached to the student. Under no circumstances are social security number or other identifying student numbers released. If there are any questions about the law and how we adhere to it, the VP for Student Services is Western's designated FERPA officer.

STUDENTS ARE RESPONSIBLE FOR ADHERING TO ALL COLLEGE REGULATIONS.

Denise Seitz, Western Graduate, Fall 2021

"As a non-traditional student I am grateful for the opportunity to take online classes through Western to obtain an associate degree in Elementary & Early Childhood Education. The online courses made it possible for me to stay home and care for my children while pursuing my dreams of becoming a teacher. I am also grateful for the staff at the Valley Learning Center. They were extremely helpful and supportive throughout this journey."

ONLINE BACHELOR'S DEGREE IN BUSINESS FOR AN UNBEATABLE PRICE!

The coursework will help you expand your ability to listen, think critically, resolve conflict, lead, manage your and other's time, as well as other projects. Let us help you transition from a learner to a leader and channel your passion into purpose.

- Emergency Management Certificate
- Web Site Development Certificate (18 hour)

-Trigger Jaggi, Western, November 2017

"I took the CNA college class in high school, I am so glad that I did. Taking it in high school helped me to decide my college career and get experience in the medical field. By taking that class I have an advantage over others who do not know what it is like in the medical field or how to do certain skills that were taught in that class. I wish that I would have taken more college classes in high school, especially English and math classes because every degree needs those courses and I could have been farther ahead in my prerequisites."

UPDATE –

Trigger has since graduated from Western with her RN nursing degree, graduated with her BSN from UW, and went on to earn a MSN at WGU in Jan 2021.

COMMUNITY EDUCATION COURSES FALL 2022

WELCOME TO VALLEY LEARNING CENTER'S COMMUNITY EDUCATION PROGRAM

You are about to discover the many and varied continuing education opportunities that Valley Learning Center offers locally. Valley Learning Center serves all ages who wish to enrich their lives and continue their education and growth.

We are very pleased to offer the quality and variety of services and educational opportunities that we have this semester – right here in Bridger Valley. If you have questions, please call or stop by Valley Learning Center. Valley Learning Center is located in Mountain View on 219 First Street. Please call for directions or questions at 782-6401.

Enrich, Equip, and Educate Today's Community for Tomorrow's World

Your satisfaction is important to us and is backed with our money-back satisfaction refund policy (administrative and material fees may apply and refund requests must be within one week of start date) Take a class! Enjoy!

HOW TO GET IN

Easy online registration from your phone or computer at valleylearningcenter.coursestorm.com or scan QR. Or mail or bring in the Community Education Registration Form from the back of this catalog. Payment is required at time of registration.

Best Chance of Happiness: Register at least 10 days prior to the start date. Do this so the class that you want is not already filled, or else canceled due to low enrollment. Registration continues until the course begins unless the class fills or is canceled. For most classes, if the class is running and not full, you will be allowed to join the "in progress" class. However, no fees are pro-rated

Community education courses are taught at several locations in Bridger Valley. Please check the locations for the courses you would like to attend. New courses could be added during the semester.

Due to limited enrollment size, registration will be on a first-come first-serve basis.

Senior citizen discount is 20% off registration. Senior citizen age is 60 years old. Discount may not apply to certification classes. To apply senior discount to online registration, call VLC for Senior Discount promo code.

Children who are not class participants are not allowed to attend classes or loiter in facilities.

Please register early so the class(es) that you want is not already filled, or else canceled due to low enrollment.

-MARLENE FLINT, COMMUNITY EDUCATION

"I took my first extended learning class to get my GED in 1977. Then I took Wyoming History to learn more about what my kids would be learning in elementary school. That led me to Algebra when my oldest got to middle school, to refresh my brain, and make me more able to help with homework. I have taken cooking classes, exercise classes, toured local historical sites, woodshop classes, financial management classes, and taken lots of computer and office management classes. I am very near my Associates Degree as a matter of fact. My grandchildren have taken cooking classes, art classes, and exercise classes as well. My life and family have truly been enriched because of the Valley Learning Center. I have been impressed with their growth in widening the scope of opportunities they offer. I'm so grateful they are here to help this small community connect with the rest of the world. Keep up the good work! sign me Marlene Flint a happy learner"

EDUCATION & EMPLOYMENT

Effective Substitute Teaching

Substitute teachers help make the world go round—without them, schools would not be able to function! Become a substitute teacher with your high school diploma and this class. You will then meet the Wyoming PTSB requirement of "at least 24 hours of school district in-service training". You'll learn the use and application of lesson plans, elements of instruction, emergency plans, classroom organization, behavior management skills, and more! Successful completion of this course is based on your attendance. Please bring a notebook. Students will need to have a Gmail account so that they can have access to Google classroom. A portion of the class will be assignments to complete and submit to familiarize students with how to use google classroom. PLEASE NOTE - All current state requirements to gain your Substitute Teaching Permit are listed online at ptsb.state.wy.us. Requirements are subject to change. If you are not certain of your current eligibility to become a substitute teacher in Wyoming, please check with the Wyoming Professional Teaching Standards Board. If you have ever been a substitute teacher before, and your certification has lapsed, this class is not for RE-certification. Upon completion of this course, and with additional observation time, you can meet the requirements to become a certified substitute teacher in the state of Wyoming. Additionally, you will be required to undergo background checks to work in local school districts.

HEALTH & WELLNESS

Joyful Yoga

Yoga is a time to reconnect with your sense of a healthy self. This yoga class will focus on movement, breath, and meditation. Students will work on managing the overall health through yoga and meditation, while embracing the JOY of movement through heart-felt themes. People who practice mindfulness find more peace, compassion, creativity and more courage in their lives. Mindfulness allows us to be more present with our thoughts and decide what is important to us. We get better at what we practice and meditation allows us to decide what that is. How would you like to feel six months from now? Now is the time to start working towards that! This class is designed for all levels of experience. Students will need to bring a yoga mat, yoga blocks, and blanket. Age Requirement: High school and older.

Michelle Black is an E-RYT 200, RYT 500 as well as an Anusara-Inspired; Yoga teacher, and an Instinctive Meditation Teacher. She has spent the past six years learning about how all of the vital systems in our bodies work together in our yoga practice.

HISTORY

Valley History: Surveyors

What's the second biggest thing to ever happen in the West next to the Continental Railroad? Joe V. Hickey shares the answer in how the American Surveyors tamed the West measurement by measurement as they surveyed the land by hand using chains, solar compasses, and rock pile markers. Some of these piles are still in existence today! Children between the ages of 8 and 12 are welcome to enroll when accompanied by an enrolled adult.
